VERSATILITY

NeoLine composite fencing gives you the freedom to design a fence that's as unique as your home. With six rich colours, multiple design styles, and your choice of aluminum or composite posts, it's easy to create a modern, classic, or completely personalized look. Unlike many other composite fences, NeoLine allows true customization and personal expression, combining durability, beauty, and individuality. This versatility ensures every fence is built to last while perfectly reflecting your personal style.

LASTING & HASSLE-FREE

NeoLine composite fencing delivers lasting beauty with virtually no upkeep. Unlike wood, it never needs painting, staining, or sealing.

Engineered to resist fading, warping, and rotting, it stays fresh and vibrant year after year. Enjoy a fence that combines durability, style, and hassle-free maintenance—the perfect choice for a worry-free, elegant outdoor space.
